

## Readmit | Salem State University

---

Students who previously attended Salem State University as a degree-seeking student, regardless of attending another institution subsequently, are considered a readmission applicant and should complete the readmit application process through the Center for Academic Excellence - Academic Advising office.

The readmit application process is now conducted remotely online. We ask students to remain patient and allow 2-3 weeks for a decision (incomplete applications will take longer). We do allow students to submit an unofficial transcript to begin the application process however an official transcript is still required and must be submitted to Salem State University.

### Instructions

1. [Download the application](#)
  2. Submit completed application materials to [readmits@salemstate.edu](mailto:readmits@salemstate.edu).
  3. Students can still mail the application however there will be additional delay for us to receive mail due to campus policy around COVID-19.
  4. Students who do not meet satisfactory academic standing must submit a personal statement
- 
1. January 12, 2021 (complete applications/good standing)
  2. January 6, 2021 (complete applications/negative standing)

### Please note the following:

1. Incomplete applications will not be moved for review until outstanding documents are received.
2. Applications received after January 12 cannot be guaranteed readmission for the Spring 2021 semester and will automatically be considered for Summer/Fall 2021.

If you have any questions regarding the readmit process, or need further assistance, please contact the advising office at [978.542.5500](tel:978.542.5500).
