NEW SCHOLARSHIP

Starting May 2014, Salem State will offer a new full in-state day tuition free scholarship (currently valued at \$910) to any Massachusetts community college student who has earned an associate's degree with a GPA of 3.0 or higher and transfers to the university within one year of completing that degree. Eligible full-time students would be awarded this scholarship, which covers 100 percent of tuition, for up to two years/four semesters.

If you were previously admitted and attended Salem State, but did not graduate, you are a readmit and do not apply through regular admissions. [Please visit the academic advising website](#) for further information or call 978.542.7049.
