

# Alumni Brick Plaza

**Help Pave the Way**

## **Give the Gift that Lasts a Lifetime: Buy an Engraved Brick!**

The 10,000 Reasons campaign invites alumni to celebrate your life-long connection to Salem State by purchasing a personalized, engraved brick for Alumni Plaza, located in front of the Ellison Campus Center. By adding your name to the beautiful plaza, you'll leave a personal, permanent remembrance of your experience at the university. You may also choose to purchase a brick in honor of, or in memory of, a special Salem State graduate.

This project establishes a lasting tribute to alumni, parents and friends, and is a tradition for others to follow. Through the generosity of our alumni and friends, this program continues to increase the endowment of one of the universities largest scholarship funds, and has been providing our students with scholarship support since 1997.
