

FACILITY RENTAL CONTRACT RIDER

- A. The university endorses the _____ use of the facility with the full understanding by all parties that the university does not sanction the consumption of alcoholic beverages by underage Salem State University community members or their guests.
- B. The university urges that the off-campus facility management take every available precaution which it deems necessary to insure that underage Salem State University community members and their guests are not served alcoholic beverages; the university will support all reasonable efforts to support the law.
- C. The facility management is encouraged to report to the university any disciplinary problems involving Salem State University community members or guests who do not comply with the facility management's efforts to enforce the law.
- D. In those cases where the sponsoring group repeatedly and/or blatantly breaks the law, after due warning, the university will support denial by the facility management of that group's future use of the facility.
- E. The facility management recognizes that it bears primary responsibility for monitoring the event and enforcing appropriate laws regarding alcohol use.
