

Matching Gifts

An easy way to increase your donation to Salem State is to determine if your employer has a matching gift program. Simply obtain a matching gift form from your employer, fill it out and send it to the Salem State campaign office with your gift.

Typically, the corporate matching programs will match a percentage of your contribution to the university and may double or triple your gift. Corporate matching gifts can combine with individual gifts to qualify donors for the [Sullivan Society](#) and other recognition opportunities.
