

Donors

The 10,000 Reasons campaign will strengthen our ability to make good on one commitment above all others: to provide every Salem State student with a world-class education.

But, creating enough access to our growing university will require the investment of our entire community in one way or another. Here your support is truly critical. Donations large and small—the commitment of all donors at all levels—will determine our ultimate success. We gratefully acknowledge those who have already made a campaign gift and look forward to [welcoming new donors into our 10,000 Reasons family](#).
