

Gift Planning & Bequests

What will your legacy be at Salem State?

With a planned gift, you are able to demonstrate your commitment to Salem State University in a meaningful way, balancing your personal financial needs with your charitable giving goals. There are many creative and flexible strategies that will allow you to achieve these goals while experiencing the greatest benefit. By including Salem State in your estate plan and becoming a member of our Crosby Society, you help to provide for the next generation of leaders and inspire others to leave their mark on Salem State, the North Shore and beyond!

We'd be happy to discuss the many different options with you or your advisor.

Contact Michael Randall at 978.542.2345 or mrandall@salemstate.edu for personalized giving illustrations or to learn more.
