

# Sullivan Society

We invite you to become members of Salem State University's most prestigious giving circle, the Sullivan Society. When you make a leadership gift of \$1,000 or more you make a powerful statement about your belief in public education, and in the future of Salem State. Membership is recognized in one of five giving clubs and donors may utilize corporate matching funds along with gifts and pledge payments received in a single fiscal year to qualify for memberships:

- The 1854 Society \$25,000+
- The Trustees' Society \$10,000 – \$24,999
- The President's Circle \$5,000 – \$9,999
- The Salem Club \$2,500 – \$4,999
- The Executive Club \$1,000 – \$2,499

## IMPACT

Your leadership gifts will make a direct, positive impact on Salem State's students by improving the student experience, by increasing financial aid, updating academic resources, and investing in talented faculty. Your gift will inspire others who care about Salem State to think philanthropically and to act generously.

As a member of the Sullivan Society you will receive special invitations to private receptions hosted by the president, trustees, alumni, and leading donors throughout the year. Members are featured prominently within the annual Donor Honor Roll magazine and also receive premium publications such as the Salem Statement, the award-winning Sextant, and Impact, the bulletin of development news.
